

K-LOVE serves our local community with positive and encouraging music and commentating. There is no foul language or degrading comments aired. If K-LOVE were to be displaced by an LPFM broadcaster, my family would have a less selection of good, clean, Christian programs to listen to. I believe that the service provided by K-LOVE is in the public interest to have a station where both young and old can listen and not be offended (it is children-friendly.) K-LOVE provides wholesome values for our community and all communities across America.
